

Whispers Of Your Name
Kacey Musgraves

Maybe I won t find,
Any old love letters,
Maybe I won t wish,
You d come down the hall.

Maybe my picture frames,
Won t look so empty,
I have to take em down,
Off the wall.

Maybe the rain will come,
After I m sleeping,
Maybe in my dreams,
I won t feel this pain.

Maybe I ll find my way,
Back to morning,
Without hearing whispers of your name.

Maybe I ll find some things,
To keep my mind busy,
Maybe I ll sell this car,
Sell this ol ring.

Maybe that ll be enough,

To finally convince me,

That you re not here,

And I really don t have anything.

Maybe I ll try,

Try to get out some,

Maybe our favorite places,

Will still feel the same.

Maybe when I sit alone,

At our old table,

I won t hear whispers of your name.
