

Whispers Of Your Name  
Kacey Musgraves

G# Eb Bb

Maybe I won t find,  
Any old love letters,  
Maybe I won t wish,  
You d come down the hall.

Maybe my picture frames,  
Won t look so empty,  
I have to take em down,  
Off the wall.

Maybe the rain will come,  
After I m sleeping,  
Maybe in my dreams,  
I won t feel this pain.

Maybe I ll find my way,  
Back to morning,  
Without hearing whispers of your name.

Gm Bb Gm F

Maybe I ll find some things,  
To keep my mind busy,  
Maybe I ll sell this car,  
Sell this ol ring.

**Bb**

Maybe that ll be enough,

**Gm**

To finally convince me,

**G#**

That you re not here,

**Eb**

**F**

And I really don t have anything.

**Bb**

Maybe I ll try,

**Gm**

Try to get out some,

**Bb**

Maybe our favorite places,

**F**

Will still feel the same.

**Bb**

Maybe when I sit alone,

**Gm**

At our old table,

**G#**

**Eb**

**Bb**

I won t hear whispers of your name.

**G#**

**Eb**

**Bb**

I won t hear whispers of your name.
