

**Spinning Rough**  
**Kailee Morgue**

**G** **Am** **Em**  
The room is spinning and my head s on fire

**Am** **Em**  
Baby, when you knock me down it just brings me higher

**G** **Am** **Em**  
And if I feel your love, I might just take it

**Am** **Em**  
But I cannot stay, no, I can t fake it

**G** **Am** **Em**  
So when the flowers die and the pictures fade

**Am** **Em**  
Don t get too close, I don t wanna be saved

**G** **C**  
Oh, whoa oh whoa oh

**Em** **G** **C**  
Oh, whoa oh whoa oh

**G** **Am** **Em** (x2)
