Kaiser Chiefs

```
e |-----|
B |-----|
G |-----|
D |-----|
A--9--9--9--9--4--4--8--8--5--5--5--5--2--2--5--5--9--9--9--9-|
E |-----|
```

then just repeat that thru the verse and the chorus (a pretty repetitive song)

you could also play the D string in the chorus with these chords to be a bit more interesting

```
e |-----|
B |-----|
G |-----|
D|--11-11-11-11-6--6--10-10-7--7--7--7--4--4--7--7--11-11-11-11-|
A--9--9--9--9--4--4--8--8--5--5--5--5--2--2--5--5--9--9--9--9--|
E |-----|
```

then theres a bit at the end of the chorus

```
e |-----|
B |-----|
G |-----|
D|--11-6--8--4--11-6--8--4-|
A--9--4--7--2--9--4--7--2-|
E |-----|
```
