[Verse 2]

Home alone eating sushi for two
Home alone and Iâ€™m waiting for someone who never shows up!
Ooh, and Iâ€™m lonely, Iâ€™m angry Iâ€™m tired

Youâ€™re only giving med drips of your love
Appointments, youâ€™ve been breaking them all
Itâ€™s like a never ending story. I give, and you take, and I give, and you
takeâ€¦

[Chorus]

E **C#m** **F#m** **G#m**

Feels like my love for you is stopping you from being you

[Verse 3]

When I held your hand you were sincere
But did you ever think about me when I wasnt near you
Why would you ever put me first? You are second to none

I wanted to leave, I tried to find someone new
But I always end up still wanting you
Why do I do this to myself?

[Chorus]

Feels like my love for you is stopping you from being you **G#m**
