Am **Em**
Lately I ve been out, hung up on this one girl
Am **Em**
You know the type, out every busy night
Am **C** **F** **Bb**
I like her flavor but this one thing got me grinded:
Am **G** **F#** **F** **E** **Am**
She never talks to me before I m talking to her

Every time is the same situation
She wants me to be a proper gentleman
Holding doors, buying drinks, be polite to her friends
just so that I can have my weekend romance

G **C** **G**
Oh has no-one told you uooh
C **A**
why she s so cold to you uooooh

D **B** **E**
She s never had a man so you gotta make her feel your intentions are real

Ref:
Am **G** **F**
You gotta move, gotta make the first move
E
Don t wait for them! Don t wait for them!
Am **G** **F**
You gotta move, gotta make the first move
E
Don t wait for them! Don t wait for them!

Am Am Am Em (x2)

I know this guy he is probably 35 now
Dark an tall, you d think he has it all
On good behavior and he never brakes a promise
but in his double bed heâ€™s always sleeping alone

Last year there was a girl around
She asked him to walk her home from town
He said politely no, he did not understand
that all she ever wanted was the touch of his hand

Oh, why is he so alone, uooh
He s never with someone. Could it be
that no-one told him: If you hold a woman dear, boy you better make it clear
