Last night I had a dream about this girl I know

Em F#m

God she's beautiful

Bm F#m Em F#m

But when I woke up I realized

Bm F#m Em

that the dream I had was true

You see I'm not trying to cause any trouble

But the way she acts makes it difficult

To be the guy I am around my friends

She's got to stop what she's doing now

Cause that is your girl, it's your girl

C#m E

You know it's your girl

Last night when I went to bed

I just couldn't sleep, I was so confused

because every time she looks at me

it feels like the way she should be looking at you

and every time she dances with me

it feels like the way she should be dancing with you

and you know I'm not the only one that feels this way

she's got to stop what she's doing now

Ref.

Cause that is your girl, it's your girl

You know it's your girl, it's your girl ooo

You know it's your girl, it's your girl

Cause that is your girl
