[Refrain]

G#m A B C# D
G#m A E

[Chorus]

I will be here for you
Somewhere in the night
Somewhere in the night
I ll shine a light for you
Somewhere in the night
I ll be standing by
I will be here for you

[Verse 1]

When you feel the sunlight
Fade into the cold night
Don t know where to turn
Don t know where to turn
And all the dreams you re dreaming
Seem to lose their meaning
Let me in your world
Baby, let me in your world

[Pre-Chorus]

All you need is someone you can hold
Don t be sad, you re not alone

[Chorus]

I will be here for you
Somewhere in the night
Somewhere in the night

I ll shine a light for you
Somewhere in the night
I ll be standing by
I will be here for you

[Verse 2]

In this world of strangers
Of cold and friendly faces
There s someone you can trust
There s someone you can trust
I will be your shelter
I ll give you my shoulder
Just reach out for my love
Reach out for my love

[Pre-Chorus]

Call my name
And my heart will hear
I will be there, there s nothing to fear

[Chorus]

I will be here for you
Somewhere in the night
Somewhere in the night
I ll shine a light for you
Somewhere in the night
I ll be standing by
I will be here for you

I will be here for you
Somewhere in the night
Somewhere in the night
I ll shine a light for you
Somewhere in the night
I ll be standing by
I will be here for you

I will be here for you
