

Still

Kallys Mashup

**C** **E7**  
Outside my window  
**G7** **F#°**  
The world moves on without us  
**F°** **B°** **C**  
While my heart is standing still

**C** **E7**  
If we are over  
**G7** **F#°**  
Then why do memories still  
**F°** **B°** **C**  
Play like a silent film?

**Fm** **C**  
You re still the one that moves me  
**Am** **E**  
And makes my fingers play  
**C#m** **F#**  
That fills my heart to say the words  
**Fm** **G**  
That I did yesterday  
**Fm** **G**  
I still feel that way  
**Fm** **G**  
No, nothing s changed  
**G**  
And I wish you felt the same way

**C** **E7**  
Don t say it s too late  
**G7** **F#°**  
Or that my dream is crazy  
**F°** **B°** **C**  
Cause inside I still believe  
**F°** **B°** **C**  
That you re still the one for me
