

Still
Kally's Mashup

C **E7**
Outside my window
 G7 **F#°**
The world moves on without us
F° **B°** **C**
While my heart is standing still

C **E7**
If we are over
 G7 **F#°**
Then why do memories still
F° **B°** **C**
Play like a silent film?

Fm **C**
You re still the one that moves me
 Am **E**
And makes my fingers play
 C#m **F#**
That fills my heart to say the words
Fm **G**
That I did yesterday
 Fm **G**
I still feel that way
Fm **G**
No, nothing s changed
G
And I wish you felt the same way

C **E7**
Don t say it s too late
 G7 **F#°**
Or that my dream is crazy
F° **B°** **C**
Cause inside I still believe
 F° **B°** **C**
That you re still the one for me
