## Beards

Kalob Griffin Band

[Intro] C G Well my beard has grown down to my ankles And I don t know where it came from D I don t recognize my own face anymore Once upon a time, I looked into a mirror G And I seen my face so clear D G Now I don t know myself at all [Verse] G C G My friends on the street they pass by me, no hellos or goodbyes D Guess I m invisible under all this hair G G And my father and mother forget that I was raised by them I m an orphan, cause my hair touches my toes [Chorus] G C And all the other men know how to shave their beards G D But mine I believe has been growin for years C I could shave it off and start my life anew G G ъ But I m afraid of change and I m scared of razors too [Verse] G С Well my girlfriend, she used to love me G Now she won t even hug me D G G С And she says if I don t shave, she s gonna leave me So with her words and deep consideration, I conclude D She don t make sense so I let my beard grow, grow, grow [Chorus]

G С And all the other men know how to shave their beards G D But mine I believe has been growin for years G С I could shave it off and start my life anew G G р But I m afraid of change and I m scared of razors too [Verse] С G Well one of these days, my face will reappear G D But until then you know that I m staying clear G С Of all the razors and the clippers, scissors and such I ll let my beard grow, till I ve had enough [Chorus] C G And all the other men know how to shave their beards G D But mine I believe has been growin for years G I could shave it off and start my life anew G D G But I m afraid of change and I m scared of razors too
