Pain - Kamakazi

verse;

D **A**
is there a rhyme or reason why
D **A**
i can t keep my head on the pillow at night
D **A** **E**
is there no vice that can cure this pain
D **A**
when your best ain t enough to get you by
D **A**
fighting tooth and nail till your blood runs dry
F#m **Bm** **E**
you wanna stay up but can t no matter what you try

chrous:

Fm# **D**
can you take me out of my hell tonight
A **E**
so i don t have to feel the way i do
F#m **D**
but i feel something in the air tonight
Bm **D** **E**
i hope someday i m gonna make it through,
D A E
make it through

verse;

D **A**
i m just an average joe working the moonlight
D **A**
tryin to bring home the bread so we can eat tonight
D **A**
there s not a thing that i wouldn t do
E
to come home to you
D **A**
you don t wait for life to cut you any slack
D **A**
when the world pins you down,
D **A**
you punch right back
F#m **D**

no matter how bad it gets
E
don t ever tighten the noose

chrous:

Fm# **D**
can you take me out of my hell tonight
A **E**
so i don t have to feel the way i do
F#m **D**
but i feel something in the air tonight
Bm **D** **E**
i hope someday i m gonna make it through,
A
make it through

D, E, F#m, E (x2) A, D, E...

bridge;

A **D**
i can feel something in the air tonight
A **E**
that i can somehow make it through...

chorus;

Fm# **D**
can you take me out of my hell tonight
A **E**
so i don t have to feel the way i do
F#m **D**
but i feel something in the air tonight
