

**Abandoned  
Kamelot**

**Am** **Em**  
Once my life was plain and clear

**Am**

I recall

**Em**  
Once my ignorance was bliss

**Am Em G**

Nightfall came

**Bb Am**

Like a serpent's kiss

**Em Am**

To my troubled mind

**Dm Am**

Why... Oh why my God

**Dm**

**Am**

Have you abandoned me in my sobriety

**Dm Am**

Behind the old façade

**Bb**

I'm your bewildered child

**C**

**Dm**

So take me cross the river wide

**Am Em Am**

Binding promises were made on my soul

**Em**

Grand illusions lead astray

**Am Em G Bb Am**

Ice cold winds swept my heart away

**Em Am**

Bring me back to you

**Dm Am**

Why... Oh why my God

**Dm**

**Am**

Have you abandoned me in my sobriety

**Dm G**

Behind the old façade

**Bb**

I'm your bewildered child

**C**

**Dm**

So take me cross the river wide

-- Helena --

**Dm**

I remember a song

**Am**

Like in a dream

**Dm**

Where September was long

**Am**

And winter unreal

**Dm**

**Am**

Why... Oh why my God above

**Dm**

**Am**

Have you abandoned me in my sobriety

**Dm**

**G**

Behind the old façade

**Bb**

I'm your bewildered child

**C**

**Dm**

So take me cross the river wide

I have a youtube link of myself performing this for a demo if you would like to hear it to clarify timing, fingerpicking and strumming patterns.
