

**Home On The Range**  
**Kansas**

**C** **C7** **F**  
Oh! Give me a home where the buffalo roam  
**C** **D7** **G7**  
And the deer and the antelope play.  
**C** **C7** **F**  
Where seldom is heard a discouraging word  
**C** **G7** **C**  
And the skies are not cloudy all day

[Refrão]

**C** **G7** **C** **D7** **G7**  
A home? a home? where the deer and the antelope play  
**C** **C7** **F**  
Where seldom is heard a discouraging word  
**C** **G7** **C**  
And the skies are not cloudy all day

**C** **C7** **F**  
Oh, give me the land where the bright diamond sand  
**C** **D7** **G7**  
Throws its light from the glittering stream  
**C** **C7** **F**  
Where glideth along the graceful white swan  
**C** **D7** **G7**  
Like a maid in a heavenly dream

[Refrão]

**C** **C7** **F**  
Oh, give me the gale of the Solomon vale  
**C** **D7** **G7**  
Where life streams with buoyancy flow  
**C** **C7** **F**  
On the banks of the Beaver, where seldom if ever  
**C** **D7** **G7**  
Any poisonous herbage doth grow

[Refrão]

**C** **C7** **F**  
How often at night, when the heavens are bright  
**C** **D7** **G7**  
With the light of the glittering stars  
**C** **C7** **F**  
Have I stood here amazed and asked as I gazed  
**C** **D7** **G7**

If their glory exceeds this of ours

[Refrão]

**C**                    **C7**                    **F**  
I love the wild flowers in this bright land of ours

**C**                    **D7**                    **G7**  
I love too the wild curlew's shrill scream

**C**                    **C7**                    **F**  
The bluffs and white rocks and antelope flocks

**C**                    **D7**                    **G7**  
That graze on the mountains so green

[Refrão]

**C**                    **C7**                    **F**  
The air is so pure, the breezes so fine

**C**                    **C7**                    **F**  
The zephyrs so balmy and light

**C**                    **C7**                    **F**  
I would not exchange my home here to range

**C**                    **C7**                    **F**  
Forever in azures so bright
