

Cant Tell Me Nothing
Kanye West

Ok, so I like whats on here already but if you play acoustic guitar like me and love to hip hop songs, stick a capo on the 3rd fret and play:

Am / C / Dm / Em

Am / C / Dm / Em (not 100% sure bout that last **Em**)

Then:

F / Em / Am / Em

Sing along and it works really well. Check out the ace alternative vid to.
