

Say You Will
Kanye West

This is not an accurate transcription of the song, more an interpretation for acoustic to play along to. Just listen to the song for timings and rhythms.

The D7 and G7 chords sound better when played higher up the neck; they sound a bit when open. The Bb7 sounds better lower down as in x13131.

Intro: **Cm**

Verse:

Cm **Bb7**
Why would she make
 Cm
Calls out the blue?
 Bb7
Now I m awake
 Cm (Bb)
Sleep isn t new

Chorus:

Eb **Ab**
Hey, hey, hey, he-eyy
 Fm **D7**
Don t say you will
 G7
Unless you will
 Ab
Hey, hey, hey, he-eyy
 Fm
Don t say you will
 D7
Then play you will
 G7
I pray you will

After that it s just this same chord progression for the rest of the song - all 6.17 of
Before you say it - I know the chords aren t D7 and G7, a pianist will tell you that,
they sound good on my guitar so they should sound right on yours.
