Regular Tuning

This song is in Db major and uses the following chords:

	<b>Gb</b>	<b>Fm</b>	<b>Ab</b>	<b>Db</b>	The repeated notes that run through the song are
e	--2---	---1---	--4--	--4--	-----11---13-----
B	--2---	---1---	--4--	--6--	-----
G	--3---	---1---	--5--	--6--	-----
D	--4---	---3---	--6--	--6--	-----
A	--4---	---3---	--6--	--4--	-----
E	--2---	---1---	--4--	--x--	-----

You can play this song with just power chords of the above and have a tremelo effect on and itâ€™ll sound like the background guitar

Song sounds good with a piano, a distorted guitar, and drums (and singers of course)

Beginning: You can use a delay pedal or something to just keep the repeated notes going throughout the whole song

Starts with Gb and the repeating notes
