Clean us like the rain in spring
Take the chlorine out our conversation
Let Your light reflect on me
I promise I m not hiding anything

G

It s water
We are water
Pure as water
Like a newborn daughter

A

The storm may come
But we ll get through it because of Your love

G

Either way, we crash like water
Your love s water
Pure as water
We are water

[Kanye West]

A

Jesus, flow through us
Jesus, heal the bruises
Jesus, clean the music
Jesus, please use us
Jesus, please help
Jesus, please heal
Jesus, please forgive

Jesus, please reveal

G

Jesus, give us strength

Jesus, make us well

Jesus, help us live

Jesus, give us wealth

Jesus is our safe

Jesus is our rock

Jesus, give us grace

Jesus, keep us safe
