

The Way Things Used To Be
Kara Colvin

[Verse 1]

Bm **D**
You broke your promise and you broke my heart
Em **Bm**
Can't help but wonder were we broken from the start
Bm **D**
I still love you with every little piece
Em **Bm**
I still love you even if you don't love me

[Pre-Chorus]

Bm **D**
You promised me
Em **Bm**
Then you'd left me

[Chorus]

D
Could this be it
Bm
Broken never fixed
G
I don't know what the future holds
D **Bm**
But for now I don't know how
G
To look at you and not see
