

Love Just Aint Enough
Kara Marni

[Verse 1]

Ebm7

Ashes to ashes, passion and fantasy dreams all fall

Bbm7

We bid farewell to the fairy tale of when we were young

Abm7

See no one ever told us, that we need more

Ebm7

Bbm7

That we need more, see I

Ebm7

Envisioned this, the perfect first of many, so green

Bbm7

I dreamed of happy ever after, looking past the in-between

Abm7

times, but in the meantime, thinking

Ebm7

Bbm7

Love was all the answers, now I question everything I ve ever known

[Chorus]

Ebm7

They say love is perfect, they say love is blind

Bbm7

They say love is worth it, but you gotta know sometimes

Abm7

Love just ain t enough, love just ain t enough

Ebm7

Bbm7

Love just ain t enough, ohh

[Verse 2]

Ebm7

Reaching for something, searching for someone to change my mind

Bbm7

We were made fools by grade school stories and nursery rhymes

Abm7

Lost in the days of lover s haze, an honest state of mind

Ebm7

Bbm7

Intoxicated by, the love they say we find, but now I m like

[Chorus]

Ebm7

They say love is perfect, they say love is blind

Bbm7

They say love is worth it, but you gotta know sometimes

Abm7

Love just ain t enough, love just ain t enough

Ebm7

Bbm7

Love just ain t enough, ohh yeahh

and scars and battling my breaking heart, I wish I would have known
