

Something On Your Mind
Karen Dalton

[Intro]

Vamp on C for five bars.

[Verse]

C **Dm** **F** **C**
Yesterday any way you made it was just fine,
Dm **F** **C**
So you turned your days into night-time,
Dm **F** **G** **Dm**
Didn t you know, you can t make it without ever even trying?

C
And something s on your mind, isn t it?
C **Dm** **F** **C**
Let these times show you that you re breaking up the lines,
Dm **F** **C**
Leaving all your dreams too far behind
Dm **F** **G** **Dm**
Didn t you see, you can t make it without ever even trying?

C
And something s on your mind.
Dm **C**
Maybe another day, you ll want to feel another way, you can t stop crying,
Dm **F** **C**
You haven t got a thing to say, you feel you want to run away, there s no use
trying anyway.

Dm **F** **C**
I ve seen the writing on the wall
Dm **F** **C**
Who cannot maintain will always fall
Dm **F** **G** **Dm**
Well, you know, you can t make it without ever even trying

Dm **C**
And something s on your mind, isn t it
Dm **C**
Tell the truth now, isn t it
Dm **C**
And something s on your mind, isn t it
