

Cruel Summer
Karen Elson

(G D G)

G D
It s been a cruel summer

G
The sun has been hit by the storms

D
My darling was bewitched by another

G
Her black magic tricks stole his heart

C G
I saw her screaming as she twirled her hair

D
So long and black like the storms

G C
She caught my darling s eye and as quickly as the lightning

G D G
I muttered a lonesome goodbye

(G D G)

The kind that makes grown men turn pale

D
My darling was bewitched by another

G
I could not compete with black head

C G
I saw her standing as she twirled her hair

D
So long and black like the storms

G C
She caught my darling s eye and as quickly as the lightning

G D G
I muttered a lonesome goodbye
