The King of Pop is dead and gone away
A **D**
No one ll ever take his place
D **G**
He s in his castle in the sky
A **D**
Watching over you and I
D **G**
And with his single sparkling glove
A **D**
He blows us kisses, show us love
D **G**
Is he walking on the moon?
A **D**
I hope I don t find out too soon
