Everyone Needs A Little

[Verse 1]
```
C#                                      F#
Come all ye weary and ye broken
   C#                                   F#
Come to the table of the Lord
    C#                                                              F#
Come sing the song of the forgiven
   C#                                         F#
Come lay your burden on the word
```

[Chorus]
```
                                       C#
Come and find peace
                                    Ebm7
Everyone needs a little rest
                                           C#/F#
Everyone needs a little joy
                                              Ebm7          F#2
And a song to sing in the darkest night
           C#
And life even when it gets you down
 Ebm7
Hope will turn it all around
         C#/F#                                  Ebm7
But love is the greatest of these
           F#                              C#      F#     C#        F#
Everyone needs a little
```

[Verse 2]
Sing all ye saints and ye sinners
Call upon the mercy of the Lord
Come sing the song of redemption
Sing about the hope that is to come

[Chorus]
```
                           C#
Come and find peace
                                    Ebm7
Everyone needs a little rest
                                          C#/F#
Everyone needs a little joy
                                              Ebm7          F#2
And a song to sing in the darkest night
           C#
And life even when it gets you down
```

```
Ebm7
Hope will turn it all around
        C#/F#                       Ebm7
But love is the greatest of these
        F#                                      C#
Everyone needs a little

[Bridge]
                              Ebm7
He will lift you up
                                                      F#
He will lift you up higher than sorrow
                                C#                        G#/C#
He will lift you up
            Ebm7                C#/F#          F#2
And cover your soul with healing

[Chorus]
                              C#
Come and find peace
                                Ebm7
Everyone needs a little rest
                                        C#/F#
Everyone needs a little joy
                                          Ebm7          F#2
And a song to sing in the darkest night
            C#
And life even when it gets you down
Ebm7
Hope will turn it all around
        C#/F#                       Ebm7
But love is the greatest of these
        F#                                      C#
Everyone needs a little

                      C#
Come and find peace
                                Ebm7
Everyone needs a little rest
                                        C#/F#
Everyone needs a little joy
                                          Ebm7          F#2
And a song to sing in the darkest night
            C#
And life even when it gets you down
Ebm7
Hope will turn it all around
        C#/F#                       Ebm7
But love is the greatest of these
        F#                                      C#
Everyone needs a little
