Singing Over Me
Kari Jobe
Key: **G**

Verse 1:

Bm **C2**
When I waited so long, when my tears were my song
Bm **C2 D**
With my hope nearly gone You held me God
Bm **C2**
To believe in the face of the dry, weary place
Bm **C2 D**
When You felt far away You held me God

Pre-Chorus:

C2 D **C2** **D**
Ooooh, there is freedom in surrender, oh I know it

Chorus:

G **Am7**
Your songs have never stopped

You've been singing, always singing over me

Your words are still enough

Bm **C2**
The chaos in the cause teaching me to see Lord

Every cloud silver lined cause You're with me
