Kari Kimmel

D A Bm G

D
I m feeling higher than the sunrise
A
Feeling lovelier than midnight
G **D**
And i wouldn t change a thing
D
I m standing taller now than ever
A
Everything from here looks better
G **D**
No I wouldn t change a thing

Bm
You can try to bring me down
A
To shake my soul and take my crown
G
I ll shine brighter, i ll shine brighter, brighter, oh

Chorus:

D
I ve learned I m a shooting star
A
And no one can change who we are
Bm **G**
No one can take that away
D
I know that I m good enough
A
and I know that I m beautiful
Bm **G**
And no one can take that away from me

D Bm G A

I m feeling prettier than velvet
Soaring higher than the heavens
And i wouldn t change a thing
Look up to the sky you ll see me
Almost feels like I am dreaming
Oh i wouldn t change a thing

To shake my soul and take my crown
I ll shine brighter, i ll shine brighter, brighter

(Chorus)
