

**Ghetto Love**  
**Karl Wolf**

This is a pretty sick song a I saw there was a lack of tabs for it so here it is.

\*\*\* One thing though, there are parts at the end of the 2nd and 3rd verses where I m not sure what the chords are so I put in what I thought sounded right. If you have a suggestion please do post it. Thanks

No capo, just standard.

Intro:

**F#m**            **D**                            **A**                            **E**  
I am the man who will fight for your honor  
**F#m**                    **D**                            **A**                            **E**  
I ll be the hero that you re dreamin of  
**F#m**                    **D**            **A**                            **E**  
We ll live forever, knowin together  
          **F#m**                    **D**                            **E**                            **A**  
That we did it all for this ghetto ghetto love

Verse:

**F#m**                                            **D**  
I take back everything I said it don t mean nothing  
          **A**                                            **E**  
Just a fight we had so many though (A ghetto love)  
**F#m**                                            **D**                                            **A**  
I tell you that you gotta let me visit my son  
                                                          **E**  
But then you tell me no (A ghetto love)  
**F#m**                                            **D**                                            **A**  
But shawty I can t take my eyes away  
                                                          **E**  
Even though we can t get along today  
**F#m**                                            **D**                                            **E**                                            **A**  
I made a promise to you that faithful day, So I say

[Chorus:]

**F#m**            **D**                            **A**                            **E**  
I am the man who will fight for your honor  
**F#m**                    **D**                            **A**                            **E**  
I ll be the hero that you re dreamin of  
**F#m**                    **D**            **A**                            **E**  
We ll live forever, knowin together  
          **F#m**                    **D**                            **E**                            **A**  
That we did it all for this ghetto ghetto love

V. 2

**F#m** **D**  
I m lookin at this sexy girl from a distance

**A** **E**  
She s so damn style I m a witness

**F#m** **D**  
Let me tell ya woah

**A** **E**  
Move that thing ya woah

Let me tell ya

**F#m** **D**  
And then I take her to the parking lot

**E** **A** **F#m** **D** **E** **A**  
Jump into my car and straight to my spot say woah

**E**  
Then she started a fight as we stepped out the club TbH I m not really  
**A** **E**
