

It Just Takes One To Say Goodbye
Karla Bonoff

[Intro]

C **G**

[Verse]

C **F**
I remember how it was when you came along
C **F**
You said that you felt weak, with me you were strong
Am **C** **Dm7**
You were sure you d finally found the way
C **G**
That makes you the fool who walked away___

[Chorus]

Dm7 **G**
And it took two to find the love you buried deep inside
Dm7 **G**
And it took two to promise we would never let it die
Dm7 **G**
Yes, it took two and you know it doesn t seem right
F **Fm** **C**
It just takes one to say goodbye

[Instrumental]

G **C** **G**

[Verse]

C **F**
I was tired of making deals and just getting burned
C **F**
It was different this time, cause you said you d learned
Am **C** **Dm7**
To say words that you could never say
C **G**
But the thing you still know best is running away___

[Chorus]

Dm7 **G**
And it took two to find the love you buried deep inside
Dm7 **G**
And it took two to promise we would never let it die
Dm7 **G**
Yes, it took two and you know it doesn t seem right
F **Fm** **C**
It just takes one to say goodbye

[Instrumental]

[Verse]

When the years go by, you ll see you don t have enough
But just remember you gave up when the going got rough
And you thought that it would set you free
But it s true love that you trade, can t you see___

[Chorus]

And it took two to find the love you buried deep inside
And it took two to promise we would never let it die
Yes, it took two and you know it doesn t seem right
It just took one to say goodbye
Say goodbye
