

Restless Nights
Karla Bonoff

[Intro]

G D Am G Bm Am C

[Verse]

Could it be that I just called you up that time

Cause he made me feel lonely

And we, I guess we knew it was a crime

But I knew you would hold me right

Your love I could never fight

[Chorus]

Those restless nights

So warm and wild

His touch was ice

Your love was fire

[Verse]

I know everyone needs to feel they re loved

Maybe I asked for too much

Sometimes I really felt so pushed and shoved

But I never meant to hurt him at all

When I slipped, you would break my fall

[Chorus]

Those restless nights

So warm and wild

His touch was ice

Your love was fire
