[Verse]

**C F**  
The dreams I ve broken, but some dreams comes true  
**C F**  
The words were spoken and now I don t know what to do  
**Am C**  
We just fight all day, not meaning anything we say  
**F G**  
And now we re frozen, afraid to let go

[Verse]

**C F**  
And they tell us that love is really tough  
**C F**  
You might find fool s gold or a diamond in the rough  
**Am C**  
But can I let you know and really let my heart go  
**F C**  
Without losing a little part of me

[Chorus]

**F#dim7 G**  
And will we know which road to choose  
**F#dim7 G**  
I know we might not lose  
**Dm7**  
If we just stay  
**F C F**  
On the way of the heart

[Verse]

**C F**  
I can see it in your eyes, it s been tearing you apart  
**C F**  
You wanna find the truth, but you don t know where to start  
**Am C**  
We re just playing, if you don t stop weighing  
**F C**  
What you can live with and what you can t live without

[Chorus]

**F#dim7 G**  
And will we know which road to choose  
**F#dim7 G**

I know we might not lose

**Dm7**

If we just stay

**F C F Em**

On the way of the heart

[Bridge]

**Am Em**

I remember the night we let love find us

**Am Em**

And there wasn't a doubt in our minds

**F G F**

Oh, if we could just go back in time

**C G**

The secret there we might find

[Verse]

**C F**

But I've been thinking, there must be a better way

**C F**

To stop this sinking that we're feeling every day

**Am C**

On a clear night, I know it's gonna feel right

**F C**

If we let that full moon come and take us away

[Chorus]

**F#dim7 G**

Keep your eyes on the stars above

**F#dim7 G**

I know that we'll find love

**Dm7**

If we just stay

**F C F Em**

On the way of the heart
