

**Brokenhearted**  
**Karmin**

[Intro]

**E C#m A B E**

[Verse]

**E C#m**  
This is more than a typical kinda thing  
**A**  
Felt the joints in my bones where you were touching me, oh oh  
**B E**  
Didn't want to take it slow  
**E C#m**  
In the days, going crazed, I can barely think  
**A**  
You're replaying in my brain, find it hard to sleep, oh oh  
**B E**  
Waiting for my phone to blow  
**E**  
Now I'm here in a sticky situation  
**E**  
Got a little trouble, yep and now I'm pacin  
**C#m**  
Five minutes, ten minutes, now it's been an hour  
**C#m**  
Don't wanna think too hard, but I'm sour  
**A B E**  
Oh oh, I can't seem to let you go

[Chorus]

**E**  
See I've been waiting all day  
**C#m**  
For you to call me baby  
**A**  
So let's get up, let's get on it  
**B E**  
Don't you leave me broken hearted tonight  
**E**  
Come on, that's right  
**E**  
Honest baby I'll do  
**C#m**  
Anything you want to  
**A**  
So can we finish what we started  
**B E**  
Don't you leave me broken hearted tonight  
**E**

Come on, that s right. Uh cheerio

[Verse]

N.C.

What s the time, such a crime

**C#m**

Not a single word, sipping on a patron

**A**

Just to calm my nerves, oh oh

**B** **E**

Poppin bottles by the phone. Oh yeah

**E** **C#m**

Act me up, pat me down, turn me inside out. That s enough, hold me up

**E**

Anything you wanna do, I ll be on it too

**E**

Everything you say, it s like a gold with a view

**C#m**

Business on the front, party in the back.

**C#m**

Maybe I was wrong, was the outfit really wack

**A**

This kinda thing doesn t happen usually

**B**

I m on the opposite side of it, truthfully

**E**

I know you want it so come and get it. Uh cheerio

[Chorus]

**E**

See I ve been waiting all day

**C#m**

For you to call me baby

**A**

So let s get up, let s get on it

**E**

Honest baby I ll do

**C#m**

Anything you want to
