Brokenhearted
Karmin
[Intro]
E C#m A B E
[Verse]
This is more than a typical kinda thing
Felt the joints in my bones where you were touching me, oh oh
Didn t want to take it slow
                                           C#m
In the days, going crazed, I can barely think
You re replaying in my brain, find it hard to sleep, oh oh
Waiting for my phone to blow
Now I m here in a sticky situation
Got a little trouble, yep and now I m pacin
Five minutes, ten minutes, now it s been an hour
Don t wanna think too hard, but I m sour
Oh oh, I can t seem to let you go
[Chorus]
See I ve been waiting all day
For you to call me baby
So let s get up, let s get on it
Don t you leave me broken hearted tonight
Come on, that s right
Honest baby I ll do
             C#m
Anything you want to
So can we finish what we started
Don t you leave me broken hearted tonight
```

```
Come on, that s right. Uh cheerio
[Verse]
N.C.
What s the time, such a crime
             C#m
Not a single word, sipping on a patron
Just to calm my nerves, oh oh
Poppin bottles by the phone. Oh yeah
                                       C#m
Act me up, pat me down, turn me inside out. That s enough, hold me up
Maybe I m in doubt, oh oh
Now I don t even think you know, no no
[Chorus]
                      E
See I ve been waiting all day
For you to call me baby
So let s get up, let s get on it
Don t you leave me broken hearted tonight
Come on, that s right
Honest baby I ll do
             C#m
Anything you want to
So can we finish what we started
Don t you leave me broken hearted tonight
Come on, that s right. Uh cheerio
[Verse]
Anything you wanna do, I ll be on it too
Everything you say, it s like a gold with a view
Business on the front, party in the back.
Maybe I was wrong, was the outfit really wack
This kinda thing doesn t happen usually
I m on the opposite side of it, truthfully

I know you want it so come and get it. Uh cheerio
[Chorus]
See I ve been waiting all day
For you to call me baby
So let s get up, let s get on it
Don t you leave me broken hearted tonight
Honest baby I ll do
            C#m
Anything you want to
So can we finish what we started
Don t you leave me broken hearted tonight
Come on, that s right
[Outro]
When you gonna call
Don t leave me broken hearted
C#m

Let s finish what we started, oh oh
