

Beneficial Herbs
Kasabian

** Great song and simple to play. C and A all the way through. Enjoy.

C, A

C

See the storm come

A

See the changing weather

C

Oh she says never as I

A

Throw my thoughts far away

C

Keep it down now

A

For a lying summer

C

Oh I got troubles and this

A

Paranoia won't let me awake

C

A

Oh can anyone help, help me?

C

A

Can anyone help, help me?

**and continue C and A through 2nd verse and chorus.

Wanna leave now

For science fiction's choking on addiction and

Gotta believe me

I wanna rest

Wait and

You have got to say

No one here is free

Oh can anyone help, help me?

Can anyone help, help me?

Can anyone help, help me?

Can anyone help, help me?

Oh
