

Happiness

Kasabian

Intro: D

D C D
I will follow you now wherever you go
C
I ll be with you now, stick around forever
Bm G A
And I never wanna see those tears again
A Bm G
No no, when will you realise that I ain t that tough

D G D
Save what you got keep it safe
G
Don t ever stop
D G
It s nothing more, it s nothing less
D G D
It s all we got, it s happiness, it s happiness?
G D G D
Ain t that right, ain t that right

D C D
And I will have a thousand dreams of how I care for you
C
Through these careless dreams look into the future
Bm G A
And I never wanna see those tears again
A Bm G
No no, when will you realise that you make me breath out

D G D
Save what you got keep it safe
G
Don t ever stop
D G
It s nothing more, it s nothing less
D G D
It s all we got, it s happiness, happiness
G D G
Oh it s always been you, it s always been you

D Bm A G
And I know you got to make it right
D Bm A G
Hanging out my feelings oh these groups are too loud
D Bm A G

Oh and it don t matter yeah I pay my dues

D **Bm** **A**

And you know there s one thing that gets us together

G

It s gonna keep us together now now now now

D **G** **D**

Save what you got keep it safe

G

Don t ever stop

D

G

It s nothing more, it s nothing less

D

G

D

It s all we got, it s happiness, happiness

Outro: **D** **G**
