

Julie And The Mothman
Kasabian

Great song from Kasabian, enjoy this tab

I m feeling, I m feeling good
I m waving to the prisoners the best I could
And there is one minute, minute a mile
I m fucking in the alley ways, you know my style
So come on, let s ride it you do it well
Shed another tear for the boys in hell
And we did El Topo, a case of rum
Talking to your elders with a broken thumb

A **D** **C** **G** **F**

Ahhh Julie, Julie wanna hit you with a frying pan

A **D** **C** **G** **F**

Ahhh Julie, Julie wanna hit you, wanna hurt you, wanna shoot you through a cat scan

A **G** **A** **D** **C** **G** **F**

I am a mothman, I wanna eat right through your clothes

A **G** **A** **D** **C** **G** **F**

I wanna take you out for dinner, I ll treat you good like an English rose

I m feeling, I m feeling good
I m waving to the prisoners the best I could
And there is one minute, minute a mile
I m fucking in the alley ways, you know my style
So come on, let s ride it you do it well
Shed another tear for the boys in hell
And we did El Topo, a case of rum
Talking to your elders with a broken thumb

A **D** **C** **G** **F**

Ahhh Julie, Julie wanna (??) from your ivory hand
