That's the bass, obviously it's played all throughout the song, apart from the breakdown. As the band use synthesisers, this song won't be very good unless your band is

fully equipped with bass, guitar, drums and keyboard with a synth.

This riff is repeated throughout the song, play it with a clean tone, with delay. It

is of course played by the brilliant Serge Pizzorno. If you want you can have another

```

B|----3-----|
G|---4-4---4---3---6-----|
D|---4---5-5---4-4---7--7-----|
A|--2---5---4---7-----|

This is the acoustic-esque breakdown section, which is followed by

```

G|-----|
D|---4444444-----|
A|---4444444-----|
E|---2202022-----|
