

## Running Battle Kasabian

This song is pretty simple

It is basically based around two chords Am and C, but it starts off with a single a note (7th Fret on the D string)

You can play it like this: (notes in brackets are optional, this is really of an for because on the record the guitar only really plays one note)

Am Cadd6 (the added 6th is the A held over)

```
e-----|
B-----|
G------(7)(7)----|
D--7---7---7--7---7-----7--7-----| Etc.
A-(7)-(7)-(7)(7)--(7)------(10)(10)---|
E--5---5---5--5---5-----8--8-----|
```

Thr echoey

```
e-----5-----5-----7h8-7-----|
B-----8-----8-----8---|
