

Sniffing Glue
Kasabian

Sniffing glue is an early Kasabian track from the time when the band's name was

Saracuse and it has never been officially released.

you can hear it there: <http://www.youtube.com/watch?v=6fWXYjwFVgk>

intro:

C* Em Bb C x2

verse:

C Em Bb C**

Happiness at last our rest

C Em Bb C

Don't be scared cause I'm no beast

bridge:

G Bb C x4

chorus:

Eb Bb C

Now I rest with you

Eb Bb C

cupid love and sniffing glue

Eb Bb C

it's all we're left to do

Eb Bb C

it's all we're left to do

then repeat intro chords once, verse (the second one's the same) and then chorus:

Eb Bb C

Now I lie with you

Eb Bb C

cupid love and sniffing glue

Eb Bb C

there's nothing left to do

Eb Bb C

it's all I'm left to do

end on the intro chords.

* first C: 032010, second barre.

** Bb in verses: 113331

Bb in chorus: 688766

i)
