

Stevie
Kasabian

Dm

Stevie, where you going with that gun

C

Who you wanna shoot down

Gm

Who you tryinna kill

Dm

Cos you ve been watching too much TV

C

It s playing with your memory

Gm

It s tryinna break your heart

A#

Gm

Just calm down, take your medication

Dm

It numbs you to the world

C

Not my world

Dm

F

And all the kids they say

C

We ll live to fight another day

Gm

We ll live to fight again

Dm

F

And all the kids they say

C

Live to fight another day

Gm

Live to fight again, again, again, again

Dm

There s no life underneath your finger

C

I dreamt a little bigger

Gm

I m sick and tired of this

Dm

If you show us what we can t have

C

What do you expect when

Gm

We take it back from you

A#

Cos it s no joke, no joke

Gm

I wanna open up your eyes wide, eyes wide

Dm

I feel it coming but you can't hide, can't hide

C

I wanna make you see light

Dm

F

And all the kids they say

C

We'll live to fight another day

Gm

We'll live to fight again

Dm

F

And all the kids they say

C

Live to fight another day

Gm

Live to fight again, again, again, again

Dm

And the ordinary people

F

Living ordinary lives

C

There's more than just existence

Dm

I see the fire in your eyes

Dm

You knew the song already

F

It comes as no surprise

C

It's time to push things forward

Dm

Cos there's no way back, yeah,

There's no way back now

C

Live to fight another day

Gm

Live to fight again

C

Live to fight another day

Gm

Live to fight again, again, again, again
