## Dm

Stevie, where you going with that gun
C
Who you wanna shoot down

## Gm

Who you tryinna kill
Dm
Cos you ve been watching too much TV
C
It $s$ playing with your memory

## Gm

It $s$ tryinna break your heart
A\#

## Gm

Just calm down, take your medication Dm
It numbs you to the world
C
Not my world

Dm $\quad \mathbf{F}$
And all the kids they say
C
We ll live to fight another day

## Gm

We ll live to fight again
Dm $\quad F$
And all the kids they say
C
Live to fight another day

## Gm

Live to fight again, again, again, again

## Dm

There s no life underneath your finger

## C

I dreamt a little bigger
Gm
I m sick and tired of this
Dm
If you show us what we can $t$ have
C
What do you expect when Gm
We take it back from you
A\#
Cos it s no joke, no joke

I wanna open up your eyes wide, eyes wide

## Dm

I feel it coming but you can $t$ hide, can $t$ hide C
I wanna make you see light

Dm F
And all the kids they say
C
We ll live to fight another day

## Gm

We ll live to fight again
Dm $\quad \mathbf{F}$
And all the kids they say
C
Live to fight another day

## Gm

Live to fight again, again, again, again

## Dm

And the ordinary people
F
Living ordinary lives
C
There s more than just existence
Dm
I see the fire in your eyes

Dm
You knew the song already F
It comes as no surprise
C
It $s$ time to push things forward
Dm
Cos there s no way back, yeah,

There s no way back now

C
Live to fight another day

## Gm

Live to fight again
C
Live to fight another day
Gm
Live to fight again, again, again, again
