[Intro] **Am C Dm E7**

[Primeira Parte]

Am C Dm E7
Summer is here once again so I m told
Am C Dm E7
But you won t catch me in my shorts
Am C Dm E7
I d rather just sit in this bar and drink all day
Am C Dm E7
Knowing that you re wandering through the door, door

[Refrão]

Am F C E7
There s been so much time wasted without you by my side
Am F C E7
Remember how we danced off our heads of the streetlights such a mad ride
Am F C E7
Running from my friends to kiss you in the alleyways by the riptide
Am F C E7 E E7
There was only us in our world and the music it never died, never died, never died

[Segunda Parte]

Am C Dm E7
Summer is here once again and there you are
Am C Dm E7
I see you re alone so I make my move
Am C Dm E7
Give me the eyes the ones who lit the fuse
Am C Dm E7
The eyes that could lift off my feet off the ground, ground, ground

[Refrão]

Am F C E7
There s been so much time wasted without you by my side
Am F C E7
Remember how we danced off our heads of the streetlights such a mad ride
Am F C E7
Running from my friends to kiss you in the alleyways by the riptide
Am F C E7 E E7
There was only us in our world and the music it never died, never died, never died

[Ponte]

Am **C**
Come on now, come on now
Dm **E7**
Come on let s get together
Am **C**
Come on now, come on now
Dm **E7**
Come on let s get together

[Refrão]
