

You're In Love With a Psycho
Kasabian

D **Em** **A D**
Ahhhhhhhh ahhhhhhh ahhhhh

You know its the place i need
But you got me walking circles like a dog on a lead

Em
And the doctors say im crazy, that im eight miles thick
Im like the taste of macaroni, on a seafood stick

D
And you got me switched on baby like electric eel
And im tight with axel foley, thats just how i feel

Em
Like a grapefruit and a magic trick, the prodigal son

G
Im walking, im walking, im walking, i walk so quick

A
And it just dont mean a thi-ing

Em
We ve been waiting far to long

A
We ll play it out aga-ain

D
This is just my serena-ade

You re in love with a psycho
Em
You re in love with a psycho-o

And theres nothing you can do about it
A D
I got you running all around it

You re in love with a psycho
Em
You re in love with a psycho-o

And theres nothing you can do about it
A D
You re never gonna be without it

D
Jibber jabber at the bargain booze
Reciting charles bukowski, i got nothing to lose

Em
And i wait for you to follow me to share my chips

A
But you re walking, you re walking, you walk, you walk so quick

Bm A

Nobody s gonna take you there
