Million Tears by Kasey Chambers

[Bm7] [C] [Bm7] [C]

Take my [G] hand
Break my [Bm7] stride
Make me [C] smile for every time I ve [D] cried
Hold my [G] heart
In the palm of your [Bm7] hand
Don t listen to it [Am] breakin [C]
Just listen to [D] the band

Do you wanna ride in my [G] car
It s parked out [Bm7] on the street
Or just stay with me [C] a while
Before I fall [D] asleep
Take these [G] tears
Wash your [Bm7] skin
I m havin trouble [C] breathin
Since you walked [D] in [G]

My [Bm7] hands are [C] tied [G]
My [Bm7] head is [C] reelin [G]
My [Bm7] eyes have [C] cried [D] a million tears
From wishin you were here [Bm7] [C] [Bm7] [C]

All my [G] life
I ve [Bm7] welcomed pain
I ve made up more [C] excuses
To bring it back [D] again
Now I m [G] here
And I ll drink to [Bm7] the shame
I ll drink to the [C] madness
That made me this [D] way [G]

My [Bm7] hands are [C] tied [G]
My [Bm7] head is [C] reelin [G]
My [Bm7] eyes have [C] cried a Million [D]Tears
From wishin you were here [Bm7] [C] [Bm7] [C]

Take these [G] tears
Wash your [Bm7] skin
I m havin trouble [C] breathin
Since you walked [D] in [Dsus] [D]
