[Intro]            [A]    [D]    [A]    [D]

Well I [E]used to make the fire  
Now I m [D] running out of [A] flame  
The [F#m] closer I [E] get the more it [D]rains  
And I [A] won t change [E] everything  
To [D] have you back again  
But I [A] can t keep [E] everything the [D]same.

They [E] say it wont get harder  
And I m [D] gonna be [A]ok  
But its [F#m] just like me to [E] go against the [D]grain  
And while I m [A]tied to your [E] shoe string  
And I m [D] breaking from the strain  
Those [A] damn things [E] hold on like [D]chains  
Yeah, those [A] damn things [E] hold on like [D]chains

[A] Was I ever really, [D] more than ordinary  
[A] Did you ever see me, [D] like I saw you.  
[A] Was I ever really, [D] more than ordinary  
[A] Did you ever need me, [D] like I need you [A] now [D]  
I need you [A] now [D]

[E] If I was a liar I d [D]have a few more [A] friends  
The [F#m] chances are my [E] heart would never [D]mend  
And even [A] though my [E] conscience would come [D]running back again  
[A] Doesnâ€™t really [E] hurt to pre[D]tend,  
No, it [A] doesnâ€™t really [E] hurt to pre[D]tend.

[A] Was I ever really, [D] more than ordinary  
[A] Did you ever see me, [D] like I saw you  
[A] Was I ever really, [D] more than ordinary  
[A] Did you ever need me [D]like

I need you [A] now [D]  
I need you [A] now [D]

I need you [A] now [D]  
I need you [A] now [D]  
I need you [A] now [D]  
I need you [A] now [D]
