CAPO III

INTRO - G G

V1:

G D Em
Well a wise man once said to me
G D Em
If your heart don t break you won t be free
C D
But I m as free as a bird
C D
Flying out over,
C D G
Flying out over the sea
G D Em
I call out to the wind
G D Em
But no one comes to let me in
C D
I hear the thunder
C D
The weight on my shoulders
C D G
The weight upon my shoulders crushin me

CHORUS:

F C G
Shine down on this mountain
F C G
Rain down on my face
F C G
Call out to the river
D
To wash me out
C G
To wash me out of this place

V2: (same as V1)

Well I wish that I was a sailor man
With the wheel of the ship held in my hand
But I don t like the water
I m more like the anchor
I wish I was the anchor in me
Sometimes I wish I was a sin
So the ones I love wouldn t let me in
I wouldn t have to try
