NULLARBOR SONG

Kasey Chambers

Capo II

Intro: (C)(D)(Em)(C)

When the (G)fire burns out here

It s (D)brighter than the city lights

(Em)Warmer than A heart of (C)gold

And (G)dingos howl just to break the (D)silence

The (Em)sun comes up just to break the (C)cold

(G)Last night I woke with the (D)stars looking back at me

(Em)Swallowing the (C)sky

(G)I felt no anger

(D)I felt no shame

(Em)I felt no reason to (C)cry

(D)If I m not here in the (G)morning

(D)I ll cry a river of (G)tears

I ll learn to live in a (D)new town

(C)But my heart is staying (G)here (D)

When it s (G)quiet out here

(D)A hundred miles away

(Em)You can hear the train on the (C)line

The (G)whistle blows just to break the (D)silence

(Em)I wave just to break the (C)time

(G)I close my eyes, (D)I think of running water

(Em)I think of running A(C)way

But the (G)fires burnt to ashes

And it s (D)darker than before

But (Em)I can see as clear as (C)day

(D)If I m not here in the (G)morning

(D)I ll cry a river of (G)tears

I ll learn to live in a (D)new town

(C)But my heart is staying (G)here

I ll learn to live in a (D)new town

(C)But my heart is staying (G)here
