[D] Time can pass and time can heal
But it don t ever pass the way I [A] feel
You went away a long time [G] ago
And [A] why you left I never [D] knew
The [D] lonely days and lonely nights
Guess the world knows I ain t feelin [A] right
And when you re gone the hours pass so [G] slow
And [A] now I m still feeling [D] blue

[CHORUS]
And [A] baby since you walked out of my life
I never felt so low
Can t help but [D] wonder [G] why you had to [A] go
There are [D] many girls but I can t say
They come and go but still I feel this [A] way
And ever since the day you said good[G] bye
[A] No one treats me like you used to [D] do

[D] I hope you re out and happy now
Doing up the town cause you know [A] how
Every time I hear your name I want to [G] die
And [A] now I m still feeling [D] blue

[repeat CHORUS]

[D] I hope you re out and happy now
Doing up the town cause you know [A] how
Every time I hear your name I want to [G] die
And [A] now I m still feeling [D] blue
And [A] now I m still feeling [D] blue
