

Sweetest Waste Of Time

Kasey Chambers

**G** **D**  
If you donâ€™t see me caught in your wire  
**G**  
If you donâ€™t hear me outside your door  
**C**  
If all this waiting just leaves me wanting  
**G**  
You still would be  
**D** **G**  
The sweetest waste of time.

**C**  
if I could learn  
**G**  
the ways of your mind  
**C**  
if I could burn  
**G** **C**  
the coal in your cold heart  
**G** **D**  
every time I called your name

**G** **D**  
if you donâ€™t need me when you get lonely  
**G**  
if you donâ€™t want me to call your own  
**C**  
if all this hoping just leaves me hurting  
**G**  
You still would be  
**D** **G**  
The sweetest waste of time

**C**  
If you could find  
**G**  
Away through the dark  
**C**  
If you could shine  
**G** **C**  
A light on my cold heart  
**G** **D**  
every time I lost my way

If you don't see me caught in your wire

**G**

If you don't hear me outside your door

**C**

If all this wanting just leaves me waiting

**G**

You still would be

**D**
