CHORDS by Marvin2Shoes

Capo 3rd fret

[CHORUS]

Well this [G] flower [C] is my [G] soul  
But it s not [C] half of what I [G] owe  
I should [C] give you every [G] rose that ever [D] grew  
But take this [G] one here [C] for a [G] start  
And you [C] can keep it in your [G] heart  
I have [G] everything I [D] need because of [G] you [C][G]

Well if my [G] life was [C] long [G] enough  
To pack up [C] everything I [G] love  
I would [C] do just that and [G] give it all to [D]you  
But it s im[G]poss[C]ible to [G] pay  
All the [C] things you gave [G] away  
So this [G] flower I [D] give will have to [G] do

[repeat CHORUS]

All the [G] flowers [C] growing [G] wild  
For ten [C]thousand lonely [G]miles  
It s not [C] near enough to [G] give you what I [D] should  
So I will [G] owe you [C]for a [G] while  
Maybe [C] longer than my [G] time  
I would [G] give you all the [D] world if I [G] could

[repeat CHORUS]

I have [G]everything I [D] need because of [G] you [C] [G]
