

You Got The Car
Kasey Chambers

ya know i saw this song transcribed on another website,
but with the capo on the 4th fret, in G, but not only was
that not comfortable to play, but i didn t like the way it sounded.
so i did it my own way, so there.
no capo.
barre chords where appropriate.

just listen to the cd for rhythm, etc.

comments, corrections, words o wisdom ?
